Monday, January 3

Play today at **Steenberg (tbc)**. An 18 hole championship course designed by Peter Matkovich; a backdrop of vineyards, gardens, forests and mountains provides the setting for this beautiful exclusive course. The course is always in excellent condition with bent grass greens and lush fairways. Steenberg offers you the opportunity of

excellent golf within the historic setting of one of the Cape's oldest wine farms. Dating back to 1682 the vineyards have been replanted and 140 acres are now under vines.

Sightseeing Inclusion: Historic Cape Town & Table Mountain.

Depart the city for the Lower Cableway Station to board the revolving cable car for a 5-minute ride to the top of Table Mountain. 1036 meters above sea level, it affords bird's-eye views of both city and Peninsula as you walk its summit (weather permitting). Return to the city via the old Cape Malay Quarter, for a walk through the Company Gardens, the fresh produce gardens for ships and locals from the mid 17th Century and today, home to the SA Museum, Cultural History Museum, Houses of Parliament, National Gallery and St George's Cathedral. Stroll through the city to Greenmarket Square to browse African mementos at its bustling market stalls.

Explore other areas of personal interest such as art galleries, restaurants or enjoy added R&R time in Camps Bay or on the beach at Clifton. Your guide will discuss finer items directly with you.

Tuesday, January 4

Play today at **Royal Cape (tbc)**, the oldest golf club in Africa (1895) which has hosted the South African Open no less than ten times and the SA Amateur Championships eight times. The most recent SA Open held here was in 1996 and was won by Ernie Els. Essentially it is a very flat parkland course, it is always well maintained and a pleasure to play, with lovely views of the surrounding mountains. But don't be deceived by its apparent easiness. The fairways are narrow, demanding extreme accuracy off the tee, wayward shots can be heavily penalized amongst the trees and the greens are well bunkered, especially in the prominent South-Westerly wind, locally referred to as the Cape Doctor.

OVERNIGHT: **Cape Grace** - 2 Luxury Room
